# COMMISSIONERS' REPORT.

To the citizens of Sullivan County: The Commissioners of the County of Sullivan herewith submit their report for the year ending April 30, 1886, together with the reports of the Superintendent of the County Farm and other County Officers.

The County Farm and Alms House in Unity have been under the supervision of Mr. and Mrs. Herrick. The management has been very satisfactory and indeed creditable to Mr. and Mrs. Herrick, it being their first year's experience in the institution. They will remain in charge another year. The expense of supporting the paupers at the farm is $1.88 per week. The interest on cost of insane building makes an increase of $260 in the expense over former years and affects the average cost per week to that extent. The cost of supporting the same number of insane paupers at Concord would be over twelve hundred dollars more than at the farm, which shows conclusively that the erection of an insane building was a paying investment for the County.

The erection of a new Court House and Town Hall at Newport, to take the place of the one destroyed by fire in June last, is progressing favorably. The contract with Mr. Beckwith calls for its completion the first of July next. When completed, we believe it will be a good, substantial building and a credit to the County.

The reports of the several County officers contain all needful information in their several departments.

# PHYSICIANS' REPORT.

*To the Honorable Commissioners of Sullivan County, N. H.:*

We, the physicians in attendance at the County Farm, beg leave to report that the health of the institution for the past year has been exceptionally good.

No contagious disease has occurred, nor any cases of itch or other skin diseases so prone to break out in places kept as homes for paupers.

The addition of the new building has made it very convenient for the care of the insane and other patients needing isolation from the larger class.

Those in charge have been very careful and attentive; no inmate has been neglected, and every complaining one has been at once attended to. Thus no curable disease has been permitted to reach a dangerous point unnoticed.

The wards and stairways have been kept clean and fresh, the beds and bed-clothing neat, clean and in good condition, adding much to the comfort and health of the occupants.

Food appeared to be well-cooked and served plentifully.

There has been but six deaths during the year ending April 31st; four males and two females, ages ranging from 62 to 78. Causes in four cases due principally to senile troubles. One had cancer and one suicided by hanging, being insane, and had just arrived at the farm.

All of which is respectfully submitted.

F. L. McIntosh, M. D.
T. E. Parker, M. D.

# CHAPLAIN'S REPORT.

*To the Honorable County Commissioners*:

In submitting my report as Chaplain of the Sullivan County Alms House I would like to say that thirty-one services have been held during the past year which have been well attended by nearly all who were able to be present. I have also, when occasion required, visited the sick and dying in their rooms.

As we are living in the nineteenth century of the Christian era, and under the blaze of gospel light, it has been a source of great satisfaction to have been able to present the gospel of Christ to the inmates of this institution.

I have endeavored to make the whole subject so plain to the mind and so desirable to the heart that we trust all have been permanently benefited.

As there can be no equivalent substitute for the living speaker as a method of imparting instruction and moving the sensibilities and emotions, we are glad that "the poor" of Sullivan Co. "have the gospel preached unto them."

In closing this report we would like to add that we have been aided in every way and kindly treated by the present Supt. of the institution, and believe he and Mrs. Herrick have exerted a most salutary effect upon the house by their exemplary Christian lives.

Respectfully submitted,

C. N. CROOK, Chaplain.

# TREASURER'S REPORT.

# AUDITORS' REPORT.

The undersigned, Auditors for the County of Sullivan, having attended to their duties as specified by law, respectfully submit that they have carefully examined the accounts of the Commissioners, Treasurer, Superintendent of County Farm, and all other County officers, and find the same correctly cast and properly vouched for.

We have examined the various bills and vouchers and find that the goods purchased were for the use of the County and that the price paid for goods bought, or received for those sold, was in our judgment at their market value.

W. L. WOODBURY, } Auditors.
